Returned with compliments:-

15/ During the year 1939-40 a sum of Rs.21,646/- was incurred by the Executive Engineer, Mysore Division, on account of special repairs of certain District Fund Roads. Out of this, a sum of Rs.9,258 was subsequently recovered from the District Board, but the balance of Rs.12,388/- was charged to State funds without recovering it from the District Board or obtaining approval of Government to treat it as a subvention to the District Board from State funds.

16/ In letter No.L.3958/L.B.34-42 dated 8-10-43 of the Law Secretary, while permitting the Chief Engineer to meet the above sum out of the grant of Rs.3 lakhs provided in the Budget for 43-44, it is stated that it is not feasible to show any special concession to the District Board by giving such a large grant. The intention of the letter is not clear to take it as authority sanctioning the amount as a special grant to the District Board. Definite orders of Government are therefore required to treat the sum of Rs.12,388/- as a subvention from Government and to admit the expenditure charged to State funds.

Sir, Subject:- Outlay incurred on special repairs of certain District
Fund Roads in the Mysore Division during the year 39-40
and debited to State Funds.

With reference to correspondence ending with this office Memo
No.26523-6 dated 20-6-1944 forwarding a copy of letter of even number
and date addressed to the Comptroller of Mysore, Bangalore, on the
above subject, I have the honour to forward herewith a copy of letter
No.47/WAD.III dated 25-7-44 addressed to the Executive Engineer,
Mysore Division by the Comptroller of Mysore, Bangalore and to inform
you that as stated by the Comptroller the outlay incurred on the
District Fund Roads during the year 1939-40 was debited to State Funds
for want of grant under subvention to District Fund Roads. This
course of action taken by the Executive Engineer, Mysore Division,
has been objected to by the Comptroller. To waive the objection
raised by the Comptroller approval of Government is necessary.

2. I, therefore, request you kindly to obtain and communicate
approval of Government for having debited to ~~State~~ State Funds a sum
of Rs.12,388/- being the outlay on District Fund Roads during the year
1939-40.

I have the honour to be

Letter No.47/WAD.III dated 25-7-1944 from the Comptroller of Mysore Bangalore, to the Executive Engineer, Mysore Division, Mysore.

With reference to your letter No.7 dated the 7th instant regarding the balance outlay of Rs.12,338/- incurred during 39-40 on account of special repairs of certain District Fund Roads adjusted in the accounts for June 44 by debit to " 24 A. Communications " by withdrawing the debit under O.B.A. P.W.D", I have the honour to state that the outlay incurred on special repairs of District Fund Roads during 39-40 in anticipation of getting a subvention from Government seems to have been debited to State Funds alone under " 24 A. Communications" and there is no outlay debited to " O.B.A. P.W.D" on this account to be readjusted now by transfer to State Funds. This may be verified again by referring to the previous correspondence and the accounts of the respective months for 39-40 and the adjustment entry in June 44 reversed in the final accounts for June 44 under intimation to this office. What is required in this case is only obtaining approval of Government for the outlay of Rs.12,388/- on District Fund works met from State Funds during 39-40. Needful action to obtain the approval of Government may also be kindly taken and the same communicated early to regularise the objection.

Re:- S.F. repairs to D.F. roads in Mysore Division.

With reference to your memo No.214(a) WAD.III dated 26-9-1941 regarding the adjustment of the outlay of Rs.21,646/- incurred by the Executive Engineer, Mysore Division on S.R. to District fund Roads during the year 1939-40, I have the honour to state that it is reported that out of this outlay a sum of Rs.9.258/- has so far been adjusted by the District Board. The balance recoverable from the Board is therefore Rs.21,646-9258= Rs.12,388/-. As the board pleaded inability to pay up this sum, Government were approached for an additional grant to regularise the outlay incurred. The Secretary to Government, Law Department has in reply conveyed the orders of Government that the expenditure may be met out of the grant of Rs.3 lakhs provided in the current year's Budget for implementing the recommendations of the Road classification committee. A copy of letter No.L. 3958/L.B.34-42-75 dated 8-10-1943 received from the Secretary, Law Department in this connection is herewith enclosed.

In these circumstances I request you to make the necessary adjustments as directed by Government. A copy of this letter is being sent to the Superintending Engineer, Mysore Circle for information and necessary action.
